EHC Hub

What is it?

The EHC Hub is a website which provides a secure, shared area for the key individuals involved with a child or young person to make their contribution, see the contributions of others and all work towards a positive outcome. It also provides the opportunity to access information at any point in the EHC process, at any time of the day.

More information about the EHC Hub can be found on the Local Offer: [EHC Hub – Professional resources \(lincolnshire.gov.uk\)](https://www.lincolnshire.gov.uk/ehc-hub-professional-resources)

How do I access it?

If you or your child/young person has an EHC plan or has had an EHC needs assessment request submitted, and the SEND team have your email address, then you may have received an email inviting you to register an account. If you haven't received anything yet, please speak to your SEND Caseworker or contact EHCHub@lincolnshire.gov.uk
